

# Don't Tell Me Your Troubles

Ray Charles

Don't tell me your troubles  
I got troubles of my own  
Don't tell me your troubles  
Just leave me alone

Leave me alone  
Go on home  
Tell it to a friend  
I got troubles of my own

You say your sweet love left you  
Well, what you think about me?  
I got those same old heartbreaks  
And the same old misery

Leave me alone  
Go on home  
Tell it to a friend  
I got troubles of my own

They say it happens to the best of us  
That's what they always say  
Take it brother, like a man  
And don't stand in my way

You tell me that she's no good  
She's mean as she can be  
It's written all over your lonesome face  
Any heartbreak fool can see

Leave me alone  
Go on home  
Tell it to a friend  
I got troubles of my own

It happens to the best of us  
That's what they always say  
So take it brother, like a man  
And don't stand in my way

You tell me that she's no good  
She's mean as she can be  
It's written all over your lovely face  
Any heartbreak fool can see

Leave me alone  
Go on home  
Tell it to a friend  
I got troubles of my own

Oh, leave me  
Go on home  
Tell it to a friend  
I got troubles of my own

Oh yeah, oh, trouble now  
Trouble in my home now

Leave me alone, oh yeah
