

Ellie, My Love

Ray Charles

1. There were times I left your heart in pain, time again I've turned

and walked away

I get to where I'm going just to find

Won't be happy in this world if you're not by my side

Ellie, my love so sweet

2. My heart told me to break away now I'm out here far away

Wish that I could hold you in the night

Then I'd wake up to a morning that is warm and bright

Ellie, my love so sweet

R: Smile for me, won't you, baby, forever you'll be on my mind

Drink with me won't you baby, we're gonna make it right this time

There's no one else like you, anything you want, I'll do

Ellie, my love so sweet

Ellie, my love so sweet

3. My heart told me to break away now I'm out here far away

Wish that I could hold you in the night

Then I'd wake up to a morning that is warm and bright

Ellie, my love so sweet

R: Smile for me... (2x)
