You give me fever, when you kiss me, fever when you hold me tig

Fever in the morning, fever all through the night.

Sun lights up the daytime, moon lights up the night I light up when you call my name, and you know I'm gonna treat you right

You give me fever, when you kiss me, fever when you hold me tig ht.

Fever in the the morning, oh fever all through the night.

Everybody's got the fever, that is something that you should kn ow

Fever isn't such a new thing, fever started long ago.

Now you've heard our story, (oh, it's your story)

Here's the point we have made (I'm listening)

Chicks were born to give you fever (that's right)

Be it Fahrenheit or Centigrade

They give you fever - when you kiss them, fever if you live and learn

Fever - till you sizzle, what a lovely way to burn.

Aha, what a lovely way to burn.

I tell you, what a lovely way to burn.

All right now, what a lovely way to burn.

I like that, what a lovely way to burn.

(You ain't right, Ray)
