

Going Down Slow

Ray Charles

Well I've had my fun if I don't get well no more
Well I've had my fun if I don't get well no more
Yeah my head is spinning, and I'm going down slow

Please write my mother tell her the shape I'm in
Please write my mother tell her the shape I'm in
Tell her to pray for me, forgive me for my sins

Tell her don't send me no doctor he won't do me no good
Tell her don't send me no doctor he won't do me no good
[I said] it's all my fault, did do things I shouldn't have. (chr
is)

Mother, please don't worry this is only my prayer
Mother, please don't worry this is only my prayer
Just say you son is gone, out of this world somewhere
