

# Hang Your Head In Shame

Ray Charles

Oh hang your head in shame  
Oh, don't your conscience ever bother you  
Every time you hear my name  
Well, try and think of all that I've gone through  
And then you hang your head in shame

Someone came along and took my place  
Then you gave me all the blame  
Well, you should go somewhere and hide your face  
And then hang your head in shame

When you said I was the only one  
Was it just your little game?  
Now look back on all the harm you've done  
And then you hang your head in shame

I should hate you but I love you still  
In my heart I keep the flame  
Oh, you'll be sorry, darling, yes you will, will  
And you're gonna hang your head in shame  
And hang your head in shame
