

# I'll Never Stand In Your Way

Ray Charles

I'll never stand in your way, I'll never stand in your way  
If you ever found someone new  
Who means more than me to you  
Well, I'll never stand in your way (I'll never stand in your way)

If you feel we must part  
Don't let pity rule your heart  
Because, I'll never stand in your way

I love you much too much ever lose you (ever lose you)  
But what is to be will be and I'll obey (I'll obey)

I'll be blue when you go  
But I'll never let it show  
And I'll never let it stand in your way

You see, I love you much too much ever lose you (ever lose you)  
But what is to be will be and I'll obey (I'll obey)

I'll be blue when you go  
But I'll never let it show  
And I'll never let it stand in your way (I'll never stand in your way)
