

# If You Give Me Your Heart

Ray Charles

Little darling  
If you give me your heart  
I'll give you my soul, baby  
And I'll love you my love  
Until we grow old  
All I want is to love you girl  
Yes!  
And for you to love me too  
Uh huh!  
We can work it out  
If I get through to you  
Oh, baby!  
Can you work it out?

Each time that I have been hurt  
Oh, it's been by a man  
And I'm afraid it just won't work  
Can't you understand?  
I admit I love the sound  
Of what you're saying to me  
But if I let you love me, baby  
Tell me what do you guarantee?  
Oh, you sweet thing!  
Yeah...  
Can I tell you now?

If you give me your heart  
I will give you my soul  
I will do anything you want me to, baby  
Anytime, anyplace anywhere girl

And I love you, my love  
Until you grow old  
Oh, together we will grow old  
I want you to know that I want true love  
Okay darling...  
I told you I want true love too  
You know I do  
So come on...  
Let me love you  
Let's make this love come true  
Oh, baby!  
Let's do it  
Alright...alright...  
And don't cry baby

Oh, baby!  
Tell me what you are gonna say  
If you give me your heart  
I will give you my soul  
Yes I will  
And I'll love you my love  
Until we grow old  
Girl, I want you to be my woman  
Hey, baby!  
And I want you to be my man  
So come on let me love you

Please give it a chance  
We can work it out  
If I get through to you
