

# Let the Good Times Roll

Ray Charles

Hey everybody,  
Let's have fun  
You only live for once  
And when you're dead you're done

You better let the good time roll baby,  
I said let the good time roll  
And i don't care if you're old now,  
Get yourself together, let the good times roll

Don't sit there mumbling  
Talkin' trash  
If you want to have a ball,  
You got to go out and spend some cash

And let the good times roll baby,  
Woah baby, Oh baby  
And i don't care if you're old now,  
Get yourself together, let the good times roll

Hey y'all tell everybody, Ray Charles in town,  
Got a dollar and a quarter and I'm just rarin' ta clown,  
Don't let no body, play me cheap,  
I got fifty cents more than I'm gonna keep.

I'm gonna let the good times roll,  
Woah baby, Oh baby  
And i don't care if you're old,  
Get yourself together, let the good times roll

Hey no matter whether, rainy weather,  
If you want to have a ball, you got to get yourself together,  
Oh, get yourself under control, woah,
