## Midnight

## **Ray Charles**

Midnight I've spent another lonely day thinking of you
Midnight tomorrow is on its way empty and blue
I'm so lonely so lonely at midnight for you
Midnight oh what a lonely time to weep I ought to know
Midnight I should have been fast asleep hours ago
Still I'm crying I'm crying cause I miss you so
Midnight I lie in bed and stare at nothing at all
Wondering I'm wondering why you don't care wishing you'd call
Tears keep flowing like drops from a waterfall
