Ray's Blues

Ray Charles

Well, have you ever woke up in the morning sometimes Just about the break of day Well, have you ever woke up in the morning sometimes Just about the break of day Reach over and feel the pillow, baby, where your sweet man used to lay

Well baby, it's so lonesome by myself Well, it's so lonesome, baby Tired sleeping all by myself Well, I don't want nobody but my baby Shouting, my baby's loving somebody else

Oh baby Won't you please hear my plea? Hallelujah, I said, oh, oh baby Won't you please hear my plea? Well, wherever you may be, darling Bring your fine self home to me
