

Teardrops in My Heart

Ray Charles

1. You´ll never know I cried, when I found out you
 lied
 for Ive been hangin on this teardrops in my heart
2. My eyes dare not reveal, the way I realy feel
 because I know I´ll cry my heart out if I start
- *: though Im pretending, that I dont care
 to be with you my darlin, is my prayer
3. But way down deep inside, I cant give up my pride
 so Ill just keep on hiding teardrops in my heart

(solo piano)
