

Tell Me How Do You Feel

Ray Charles

Tell me how do you feel
When your baby's loving your best friend? I wanna know

Tell me how do you feel
When your baby's loving your best friend? Yeah

Do you feel like going crazy? - Or do you feel like always been
?

Hey hey hey tell me do you feel?
When your baby crosses your mind - I wanna know

Hey hey hey tell me do you feel?
When your baby crosses your mind...yeah

Do you crack with loud laughter - Or do you break down and start
crying

Tell me how do you feel partner
I want the truth and not a lie - That's what I said

Tell me how do you feel partner
I want the truth and not a lie...yeah

Because if you feel good on inside
I must admit that you're a much better man than I

Would you feel happy, - Or would you feel sad
When you're lost the best girl - That you've ever had

I wanna know, I wanna know, I wanna know, I wanna know
I wanna know, Hey hey, I wanna know, I wanna know

Would you feel happy - Or would you feel sad
When you're lost the best girl - That you've ever had

I wanna know, I wanna know, I wanna know, I wanna know
I wanna know, Hey hey, I wanna know, I wanna know

It's alright, It's alright, It's alright, It's alright now

Oh baby I wanna know, Oh, I wanna know
I wanna know know...I wanna know, I wanna know
