

You Don't Know Me

Ray Charles

(You don't love me, you don't know me)
You give your hand to me
And then you say, "Hello".
And I can hardly speak,
My heart is beating so,
And anyone can tell
You think you know me well -
Well, you don't know me.
(no you don't know me)

No, you don't know the one
Who dreams of you at night,
And longs to kiss your lips
And longs to hold you tight.
Oh-oh, I'm just a friend,
That's all I've ever been -
'Cause you don't know me.
(no you don't know me)

For I never knew the art of making love,
Though my heart aches with love for you.
Afraid and shy, I-I've let my chance go by,
A chance that you might love me too.
(love me too)

You give your hand to me
And then you say, "Goodbye".
I watch you walk away
Beside the lucky guy.
Oh, to never, never know
The one who loves you so -
Well, you don't know me.

(For I never knew the art of making love,)
(Though my heart aches with love for you.)
Afraid and shy, I-I've let my chance go by,
A chance that you might love me too.
(love me too)

Oh, you give your hand to me
And then you say, "Goodbye".
I watch you walk away
Beside the lucky guy.
Oh, you'll never, never know
The one who loves you so -
Well, you don't know me.
(you don't love me, you don't know me)
