## **Frosty The Snowman**

**Ray Conniff** 

Frosty the Snowman was a jolly happy soul With a corncob pipe and a button nose And two eyes made out of coal

Frosty the Snowman is a fairy tale they say He was made of snow, but the children know How he came to life one day

There must have been some magic in The old silk hat they found

For when they placed it on his head He began to dance around

Oh, Frosty the Snowman was alive as he could be And the children say he could laugh and play Just the same as you and me, Ahh

Frosty the Snowman knew the sun was hot that day So he said let's run, and we'll have some fun Now before I melt away Down to the village with a broomstick in his hand Running here and there all around the square Saying catch me if you can

He led them down the streets of town Right to the traffic cop

And he only paused a moment When he heard him holler, Stop

For Frosty the Snowman had to hurry on his way But he waved goodbye saying don't you cry I'll be back again someday I'll be back again someday
