The Morning After

Ray Conniff

There's got to be a morning after If we can hold on through the night We have the chance to find the sunshine Let's keep on looking for the light

Oh, can you see the morning after It's waiting right outside the storm Why don't we cross the bridge together And find a place that's safe and warm

*It's not too late, we should be giving Only with love can we climb It's not too late, not while we're living Let's put our hands out in time

There's got to be a morning after We're moving closer to the shore I know we'll be there by tomorrow And we'll escape the darkness We won't be searching anymore
