

Julie Finkle (dialogue)

Ray Davies

In the book X-

Ray the decrepit old rock 'n' roll singer talks about this
Mystery girl he used to know when he was on the road. It's a gi
rl he calls

Julie Finkle. Julie Finkle was really a mixture of lots of diff
erent people.

And on tours, night after night, you go to these one-
night stands,

There's always a Julie Finkle in the audience. Maybe she's imag
inary,

And what's sure, maybe she's here tonight.
