Nobody needs you cuz i do

If u can see that  
Nobody needs you like i do  
I need all of you baby

Anytime im needin someone  
I think of u for comfort, can u feel me?  
Anytime ur feelin down or  
Need a friend for comfort, can u feel me?

Oh, ain't no need for frontin babygirl i believe  
And everything u doin shorty know this  
You play a real big part in  
Keepin' me on my feet  
And i love u so much i won't blow this

Nobody needs u cuz i do

If u can see that  
Nobody needs u like i do i need all of u baby

Anytime ur feelin down or  
Need a friend for comfort, can u feel me?

Ain't no way ill ever be thru with u  
Baby let me know if we can make it  
Cuz i wanna be there, baby can i be there?  
Anywhere i dont care

Anytime im needin someone

Anytime ur feelin down or  
Need a friend for comfort, can u feel me?

And if u ever need a friend  
If you ever need someone to talk to
