

## Changes

Ray J

If I ever give you all of me (if I ever)  
Just a piece of me that you can see  
Will you ever make a change for me?  
A change in you is a change for me, baby

I said you ought to make a change  
Find a way to love yourself  
Open up your heart and mind  
In there, you will find  
The key to a new life

The words "I'm sorry"  
Are said a thousand times  
But what's it going to take  
For you to change your life around?  
If you truly want to be happy  
Then recognize in yourself  
There's a true gift from life  
The truth in life  
It just a piece of me that you can see  
Will you ever make a change for me?  
Change in you is a change for me (oh yes)

Take a longer look at yourself  
Find the hidden truth and let it exhale  
Let me lead the way (uh oh oh oh)  
Can you evasion all the things that I see? (oh oh)

[Chorus 2x]
