

# Good Thangs

Ray J

Good Thangs... Oh... oh yeah  
I just wanna do thangs  
(Not just anything)  
I just wanna do thangs  
(Good thangs)

Sugar dumplin', you got me feenin for ya  
In so many ways, that I can't remember my name  
You got the ride, that I wanna drive  
You got the groove that soothes with all good thangs

Ain't nothin better than, when I hold you close  
Ain't nothin better than, the way you turn me on and on  
Cause baby baby, you know you make it right  
Each and every time I look in your eyes, I...

I just wanna do thangs  
Baby not just anything but  
Good thangs, good thangs to ya  
Good thangs, good good thangs  
I just wanna say thangs  
Baby not just anything, but  
Good thangs, good thangs to ya  
Good thangs

Honey darlin, you got me goin crazy  
Cause everywhere I look, it's you that I see  
I'm on a high, way up in the sky  
Above the clouds where all the birds do fly

Ain't nothin better than, when I hold you close  
Ain't nothin better than, the way you turn me on (on)  
Cause baby baby, you make it oh so right  
And I don't want it to come as no surprise... I)

I just wanna do thangs  
Baby not just anything but  
Good thangs, good thangs to ya  
Good thangs, good good thangs  
I just wanna say thangs  
Baby not just anything, but  
Good thangs, good thangs to ya  
Good thangs

(I just wanna)  
Good thangs to ya  
Good things to my girl  
(Oh... good thangs)  
Good thangs to ya  
Good thangs to my girl  
(I just wanna)  
Good thangs to ya  
Good thangs to my girl  
Good thangs to ya  
Good thangs to my girl  
(I just wanna)

I just wanna do thangs  
Not just anything but  
Good thangs, good thangs to ya  
I just wanna say thangs  
(Ain't nothin better... than  
Good thangs, good good thangs)  
Good thangs good thangs to ya  
Good thangs  
[repeat till out]
