

Carry Me

Ray LaMontagne

Carry me, if I should fail you
You'd carry me, if I was to fall
You'd give your love just like it's for free
You give me all your love like it's nothing at all
It's nothing at all

I walk alone in the dusty morning
I walk alone when you're by my side
How did you know I was just a boy
How did you know I was just a child
I was just a, I was just a child

Carry me if I should stumble
You'd carry me if I was to fall

How did you know I was just a boy
You give your love like it's nothing at all
Oh like it's nothing, like it's nothing,
Like it's nothing, like it's nothing
Yeah like it's nothing at all

Carry me if I should fail you
You'd carry me if I was to fall
You'd give your love just like it's for free
You give your love like it's nothing at all

Carry me, carry me
