

# Down To The River

Ray LaMontagne

I've been walking too long  
Too long, yes  
Shake my head and wonder why I cry those tears  
So that my feet are burning, Lord  
And my eyes they cannot see  
Would you tell me why it is that these shoes terrify me  
Yeah, they terrify me

Take me down  
Down to the river  
Down to the river then  
Sweet love got to walk beside me  
Hold my hand  
Down to the river  
Down to the river, Lord  
Sweet love got to hold me under  
Save my soul  
Yes, you've got to save my soul  
You've got to save my soul, now  
Save my soul  
Yes, you've got to save my soul, now

Spent most of my life confused and in pain  
Things I can lie never begin to explain  
It takes more than a glas of cool water  
To toss this flame  
Yes, with my peace and my cup  
And my eyes turned up to heaven  
I messed up back then in the rain  
Yes, back up in the rain, now

Down to the river  
Down to the river then  
Sweet love got to walk beside me  
Hold my hand  
Down to the river  
Down to the river, Lord  
Sweet love got to hold me under  
Save my soul  
Save my soul  
Save my soul  
You've got to save my soul  
Save, save it  
Ohh  
Save my soul  
Save my soul  
Ohh  
Yeah yeah  
Ahh  
Yeah yeah
