

Hey, No Pressure

Ray LaMontagne

Hey, No Pressure
I hate to see you breaking down
Hey, no pressure
I hate to watch you fall apart

Hey, no pressure
I want to help you through it all
Hey, no pressure
I want to lift you when you fall

Hey, no pressure
Anything you want your life to mean,

It can mean.
Anything you want your life to mean, It can mean
This life is full of give and take
Hey, no pressure
Be careful of each step you take

Hey, no pressure
It doesn' t matter lose or win
Hey, no pressure
It' s all illusion in the end

Hey, no pressure
Anything you want to be, you can be
Anything you want to be, you can be
Anything you want your life to mean, it can mean
Anything you want your life to mean, it can mean
I hate to see you crumbling
Hey, no pressure
You need to know we are your friends
Hey, no pressure
This life is full of give and take
Hey, no pressure
Be careful of the choice you make

Hey, no pressure
Anything you want your life to mean, it can
Anything you want your life to mean, it can mean
Anything you want to be, you can be
Anything you want to be, you can be
