

# I Go All to Pieces

Ray LaMontagne

Some day so slow  
Some day so hollow  
You don't know how hard I try

Way down inside  
Moonlight feel heavy  
You don't know how hard i try

Ah well, oh my  
Don't say goodbye  
Well you know how I  
I go all to pieces

Me, just a boy  
Then, low and broken  
All of my life  
I've done wrong

You lullaby  
Song, soft and soothing  
You were my place to belong

Ah well, oh my  
Don't say goodbye  
'cause you know how I  
I go all to pieces  
I go all to pieces
