

Let It Be Me

Ray LaMontagne

There comes a time
A time in everyone's life
When nothing seems to go their way
When nothing seems to turn out right
There may come a time
You just can't seem to find your place
For every door you open
Seems like you get two slammed in your face

That's when you need someone
Someone that you can call
When all your faith is gone
It feels like you can't go on
Let it be me
Let it be me
If it's a friend you need
Let it be me
Let it be me

Feels like you always coming up last
Pockets full of nothing
Ain't got no cash
Don't matter where you turn
You ain't got no place to stand
You reach out for something and they slap your hand

I remember all too well
Just how it feels to be all alone
You feel like you'd give anything
For just a little place you can call your own

That's when you need someone
Someone that you can call
When all your faith is gone
It feels like you can't go on
Let it be me
Let it be me
If it's a friend you need
Let it be me
Let it be me
Let it be me
Let it be me
Let it be me
If it's a friend you need
Let it be me
Let it be me
Let it be me
