

## Pick Up a Gun

Ray LaMontagne

Walk through the field  
Sat in a tree  
I love you  
You don't love me

Pick up a gun  
Shoot the TV  
I want you  
You don't want me

That's Ok, I don't give a damn

Stood on a hill  
Only to scream  
I knew you  
You never knew me

That's ok, nothings for free  
I never want to see your face again

Got in my car  
Drove down the street  
I miss you  
You don't miss me

Back in my room  
Alone in the dark  
Can't find you  
I can't find me

That's ok, I can't feel a thing  
That's ok, I can't feel a thing  
I never want to see your face again  
I never want to see your face again
