

# I Don't Think That Man Should Sleep Alone

Ray Parker Jr.

I don't think that man should sleep alone  
I don't think it's fair  
Do you baby

I don't think that man should sleep alone  
Some body should be there

This world that we live in  
Has too many laws and too many rules  
The thought of you and me sleeping here  
Seems like everybody disapproves

Now I'm not I'm not saying  
That I'm right and everyone else is wrong  
I admit I've got a problem  
I can't stand sleeping alone

I don't think that man should sleep alone  
I don't think it's fair  
Do you baby

I can't seem to get warm enough  
Even with four blankets and a sheet  
I may as well be honest girl  
I think I need a little body heat

Wake up wake up baby  
Yes I know it's a quarter to 3:00 a.m.  
But either you're coming here  
or I'm coming there  
'Cause I just can't get to sleep

I don't think that man should sleep alone  
I don't think it's fair  
Do you baby

Baby come on  
I want to feel you lying next to me  
Don't you baby

Sugar come on  
Rock this baby to sleep

Come on come on  
Let's hold each other real good  
Come on come on  
I won't try nothing baby  
Come on come on  
But honey it could feel good  
If you'll only let loose; come on

I don't think that man should sleep alone  
I don't think it's fair  
Do you baby

Help me baby  
Baby come on

I need body heat  
Don't you baby

Sugar come on girl  
I want to feel your-  
Baby come on  
Rock Rock me to sleep

Sugar come on girl  
I want to feel your heat
