

# One Sided Love Affair

Ray Parker Jr.

Mary, you don't know how much you mean to me  
If you did you'd never ever make me feel this way  
Mary, you don't know how much I care for you  
If you did I'd know you wouldn't make me hurt this way  
Now I realize you may not feel the same for me  
Or are you trying to hide how much you care  
Have you thought about how hard this is for me  
To live in this one sided love affair  
Mary, you don't know how much I feel for you  
If you did you'd never ever make me feel this way  
For you have to know I care, baby  
Cause everything I've ever said or done  
Should let you know that you're the one  
Now you have to know you're more than just a friend to me  
Are you using me or are you just don't aware  
Mary, can't you see that this is hard for me  
To live in this one-sided love affair  
Now you know that in your heart  
You feel the same for me, baby  
You're just trying to hide how much you care  
Oh, let me in your heart or just let me be  
But put an end to this one-sided love affair...
