

# Sex And The Single Man

Ray Parker Jr.

Sex and the single man  
Living life as best I can  
It's hard being a decent man  
Sometimes it seems like I just can't  
Sex and the single man

A little kiss a little wine  
I start to have a real good time  
Then those dirty thoughts start  
Running thru my mind

I'm trying hard to listen to the angel on my shoulder  
But I hear on my left that voice of death  
Saying go ahead do it do it  
Sex and the single man

Living life as best I can  
Kinda hard being a single man  
In a world with so many women  
It's rough it's tough being a single man

Much too weak to resist them  
I like the life and the feeling  
Can't get my mind off of them  
No baby, sex and the single man

Here it comes I feel it getting strong  
Try and fight it but she's turning me on  
My resistance is just about gone  
I live alone in Beverly Hills trying to fight off temptation

I don't want to do wrong but I'm all alone  
You just can't wait anymore

\*Sex and the single man  
Situation out of hand  
I think I like being a single man  
In a world with so many women

Beautiful women  
Sex and the single man  
No promises to...  
I mean what the heck

No promises to...  
Let me tell you something

I love being a single man

People ask will ever get a steady lady  
I don't know I'm still a little wild and crazy  
Baby let me finish it later, I just love it when you  
Oh don't touch me there

Sex and the single man  
I'm free to do as much damage as I can
