## **After Effects (From Loving You)**

**Ray Price** 

Nights are longer when you're blue and all alone Seems eternity will past before the dawn I tried everything but I can't seem to lose All these after affects from loving you Now I may tell myself I'll find an easy way to escape this mise ry from day to day But my heart knows good and well uit's only you Who can ease my troubled mind and arise the pain they find Fropm the after affects from loving you

Now I may tell myself...
