I've Just Destroyed The World

Ray Price

The sun just went behind the clouds There's darkness all around me now For I've just destroyed the world I'm living in I broke her so many times And now at last I've broken mine I've just destroyed the world I'm living in. What made me think that I could go on hurting her I should have known there'd have to be an end But fools in love I thought by fate they never learn till it's too late And I've just destroyed the world I'm living in.

What made me think that I could go on hurting her I should have known there'd have to be an end But fools in love I thought by fate they never learn till it's too late And I've just destroyed the world I'm living in...
