

Pick Me Up On Your Way Down

Ray Price

You were mine for just a while
Now your putting on the style
And you never once looked back
To your home across the track
You're the gossip of the town
But my heart can still be found
Where you tossed it on the ground
Pick me up on your way down

Pick me up on your way down
When your blue and all alone
When their glamor starts to bore you
Come back where you belong
When you learn these things are true
I'll be waiting here for you
When you tumble to the ground
Pick me up on your way down

They have changed your attitude
Made you haughty and so rude
Your new friends can take the blame
Underneath you're still the same
You may be their pride and joy
But they'll find another toy
When your new love can't be found
Pick me up on your way down

Pick me up on your way down
When your blue and all alone
When their glamor starts to bore you
Come back where you belong
When you learn these things are true
I'll be waiting here for you
When you tumble to the ground
Pick me up on your way down
