

Remember Me (I'm The One Who Loves You)

Ray Price

When you're all alone and blue
No one to tell your troubles to
Remember me I'm the one who loves you

And when the world has turned you down
And not a true friend can be found
Remember me I'm the one who loves you

And through all kinds of weather
You'll find I'll never change
Through the sunshine and the shadows
I'll always be the same

We're together right or wrong
And where you go I'll tag along
Remember me I'm the one who loves you

And through all kinds of weather
