Remember Me (I'm The One Who Loves You)

Ray Price

When you're all alone and blue
No one to tell your troubles to
Remember me I'm the one who loves you

And when the world has turned you down And not a true friend can be found Remember me I'm the one who loves you

And through all kinds of weather You'll find I'll never change Through the sunshine and the shadows I'll always be the same

We're together right or wrong
And where you go I'll tag along
Remember me I'm the one who loves you

And through all kinds of weather
