

## Set Me Free

Ray Price

If you think you've had enough  
If you think our life's been rough  
Why not take your love line off of me  
And set me free?

If you think our love's all wrong  
And you feel the fire's all gone  
If that's not what you'd like for me to be  
Come, set me free

Set me free and let me fly  
Like a bluebird up in the sky  
Release the chain that's binding you and me  
And set me free

Set me free and let me fly  
Like a bluebird up in the sky  
Release the chain that's binding you and me  
And set me free
