

That's What I Get For Loving You

Ray Price

Eyes that stay awake until the day is dawning
Tears that break my heart in two
Chains that bind my heart inside me
And that's what I get for loving you

Arms that reach out in the darkness
To hold the love that once was true
Only memories to haunt me
And that's what I get for loving you

That's what I get for believing
That is all I trust in heart a love will never do
All I have is just a picture
And that's what I get for loving you

Afraid that some day I might see you
While you're holding someone new
Afraid my heart will fall to pieces
And that's what I get for loving you

A path that should be just forgotten
Is all my heart is clinging to
There's no hope for your returning
And that's what I get for loving you

It's the worth that I am paying
Should I live my heart keeps trusting you?
I know my heart is only waiting
And that's what I get for loving you
