

# Time Changes Everything

Ray Price

There was a time that I thought of no other  
And we sang our own love's refrain  
Our hearts beat as one as we had our fun  
But time changes everything.

When you left me my poor heart was broken  
Our romance seemed all in vain  
The dark clouds're gone and there's blue skies again  
The time changes everything.

You can change the name of an old song  
Rearrange it and make it swing  
I thought nothing could stop me from loving you  
But time changes everything.

So goodluck to you, may God bless you  
I can't say I won't love again  
You've gone your way and now I'll go mine  
'Cause time has changed everything...
