

# Today I Started Loving You Again

Ray Price

Today I started loving you again now I'm right back where I've  
really always been  
I got over you just long enough to let my heartache mend  
Then today I started loving you again

What a fool I was to think I could get by with only these few m  
illion tears I've cried  
I should have known the worst was yet to come  
And that crying time for me had just begun  
Cause today I started loving you again  
Today I started loving you again  
Yes today I started loving you again
