

## Too Many Rivers

Ray Price

I wish I could come back to you dear  
'cause I know that you want me to  
But too much waters run under that old bridge  
There's too many rivers between me and you

There's too many rivers to cross dear  
Too many dreams have been lost  
And there's too many long nights that  
I've turned and tossed

There's just too many rivers to cross  
Don't think for the moments I blame only you  
We both killed the fruit on the vine  
And you try to put love back together

There's always a few little pieces you can't find  
There's too many rivers to cross dear  
Too many dreams have been lost  
And there's too many long nights that  
I've turned and tossed  
There's just too many rivers to cross
