

You're The Best Thing That Ever Happened To Me

Ray Price

I've had my share of life's ups and downs
But fate's been kind, the downs have been few
I guess you could say that I've been lucky
And I guess you could say, it's all because of you

If anyone should ever write my life story
For whatever reason there might be
You'd be there between each line of pain and glory
'Cause you're the best thing that ever happened to me
You're the best thing that ever happened to me

Oh, there have been times when the times were so hard
But somehow, some way I'd made it through
And for every moment I've spent hurting
There's been moments spent loving you

If anyone should ever write my life story
For whatever reason there might be
You'd be there between each line of pain and glory
'Cause you're the best thing that ever happened to me
You're the best thing that ever happened to me
