

# You Took Her Off My Hands

Ray Price

You took her off my hands when you've stepped in  
You changed everything, we're not even friends  
Don't leave the job half done, leave nothing behind

Please take her photograph, my heart's so blue  
And take all her memories, she now belongs to you  
Don't leave the job half done, leave nothing behind  
You took her off my hands, now please take her off my mind  
You took her off my hands, now please take her off my mind

Please take her photograph, my heart's so blue  
And take all her memories, she now belongs to you  
Don't leave the job half done, leave nothing behind  
You took her off my hands, now please take her off my mind
