He's free as the breeze, he's always at ease He lives in the jungle and hangs by his knees As he swings through the trees without a trapeze In his B.V.D.s

He's got a union card and he's practicing hard To play, the guitar, gonna be a big star Yeah, he's gonna go far And carry moonbeams home in a jar

He ordered Chet's guitar course, C.O.D.

Makes A and E and he's working on B

Digs C and W and R and B and me and the chimpanzees agree

That one day soon he'll be a celebrity

Get it, get it, get it, get it

Gitarzan, he's a gitar man He's all you can stand Give him a hand, Gitarzan

He's got a girl named Jane with no last name Kinda homely and plain but he loves her just the same 'Cause she kindles the flame and it drives him insane When he hears her say, she really does her thing It's her claim to fame, come on, sing one Jane

Baby, baby, oh baby Baby, oh baby

How about that, let's hear for Jane, yeah Thank you folks

Well, they've got a pet monkey, he likes to get drunk And sing boogie woogie and it sounds real funky Come on, your time boy, sing one monkey, you go

Let's hear it for the monkey, oh

On Saturday night they need some excitement Jane gets right and the monkey gets tight And their voices unite in the pale moonlight And it sounds all right Yeah, it's dynamite, it's out of sight Let's hear it right now

Baby, baby, oh baby, baby
Shut up baby, I'm trying to sing
Baby

Get it, get it, get it, get it

Gitarzan and his jungle band And they're all you can stand Give him a hand, Gitarzan Oh baby Gitarzan and his jungle band They're all you can stand Give him a hand, Gitarzan
