

# Misty

Ray Stevens

Look at me  
I'm as helpless as a kitten up a tree  
Ah, I'm walkin' on a cloud  
I can't understand, Lord  
I'm misty holdin' your hand

Walk my way  
And a thousand violins began to play  
Or it might be the sound of your "hello"  
That music I hear, Lord  
I'm misty the moment you're near

You can say that you're leadin' me on  
But it's just what I want you to do  
Don't ya notice how hopelessly I'm lost  
That's why I'm followin' you

Ooooh, on my own  
Should I wander through this wonderland alone, now  
Never knowin' my right foot from my left  
My hat from my glove, Lord  
I'm misty, and too much in love

[Musical Interlude]

You can say that you're leadin' me on  
But it's just what I want you to do  
Don't ya notice how hopelessly I'm lost  
That's why I'm followin' you

Ooooh, on my own  
Should I wander through this wonderland alone, now  
Never knowin' my right foot from my left  
My hat from my glove, Lord  
I'm misty, and too much in love

(Misty) too much in love  
(Misty) too much in love  
(Misty)  
(Misty) too much in love...
