

# Keep On Searching

Ray Thomas

Well I've always been a dreamer  
And I sometimes play the fool  
But when the lights go down  
And I hear the crowd then I'm cool

Then I sing my song of freedom  
And I sing my songs of love  
But there's nothing changed  
'Cause I'm still the same as I was

You gotta keep on keep on searching  
You gotta keep on searching  
And I believe I've found the way  
Along the road along the road of freedom  
You gotta keep on trying to belong  
Come sing the song be strong

I sometimes think that the world's gonna pass me by  
In my mind I ask myself the reason why  
And before I know the answer's come and gone  
And before I know the music's turned me on

You gotta keep on keep on searching  
You gotta keep on searching  
And I believe I've found the way  
Along the road along the road of freedom  
You gotta keep on trying to belong  
Come sing the song be strong

Well I sometimes stop and wonder  
Just what we are doing now  
Life has got to change  
Maybe we can arrange it somehow

But then I've always been a dreamer  
And I sometimes play the fool  
But when the lights go down  
And I hear the crowd then I'm cool

You gotta keep on keep on searching  
You gotta keep on searching  
And I believe I've found the way  
Along the road along the road of freedom  
You gotta keep on trying to belong  
Come sing the song be strong

We gotta keep on searching  
We gotta find a way (gotta find a way)  
Along the road of freedom (along the road of freedom)  
We'll be there someday (we'll be there someday)  
We gotta keep on searching (we gotta keep on searching)  
We gonna find a way (gonna find a way)  
Along the road of freedom (along the road of freedom)  
We'll be there someday (we'll be there someday)
