

You Make Me Feel Alright

Ray Thomas

This is just my love song
And I sing it just for you,
To tell you of my feelings
With harmonies so strong
Although my words aren't new,
I found out what true love's about
You came into my life,
You make me feel alright...feel alright
You make me feel alright
You make me feel alright...feel alright
You make me feel alright,
I feel alright.

A woman's intuition
Helps you see things very clear,
So feel my jubilation
You are my inspiration
So wipe away your tears,
I found out what true love's about
You came into my life,
You make me feel alright...feel alright
You make me feel alright
You make me feel alright...feel alright
You make me feel alright,
I feel alright.

And if I was to say, you are my everything,
Could you believe it, would you believe you're my life.
I found out what true love's about
You came into my life,
You make me feel alright...feel alright
You make me feel alright
You make me feel alright...feel alright
You make me feel alright,
I feel alright.

I know the situation
I know exactly how you feel,
I'll try to bring you laughter
Love for ever after,
And I'll show you that it's real,
You came in and the whole thing started
Love came into my life
You make me feel alright...feel alright
You make me feel alright
You make me feel alright...feel alright
You make me feel alright,
I'm alright.
You make me feel alright...feel alright, alright
Feel alright, alright, feel alright
