

Coochy Coochy

Ray Wylie Hubbard

Waiting for you to come and see me
Waiting for you to come and see me
Where are you
My coochy, coochy, coochy, coochy, coo?

Come on to me and let me see you
Come on to me and let me see you
Where are you
My coochy, coochy, coochy, coochy, coo?

I've travelled all over
Seen ev'rything I wanted to see
Where are you,
My coochy, coochy, coochy, coochy, coo?

I've got ev'rything that I ever wanted
Done ev'rything I ever wanted to do
Where are you
My coochy, coochy, coochy, coochy, coo?
Oh, let me hear it!
