

I'll Damage You

Razed in Black

I see the way that you're undressing me
The evil in your eyes
Had no idea that you'd ever be
Insane enough to take on me
A closet full of tools to hurt you
Even some that aren't meant to please you
You say you know' but your innocence left
When you stared at me and bit your bottom pouty lip

You throw yourself on the floor for me
Waiting for me to ride
Even tie yourself up to the chains
That the bitch before sucked, fucked, and used me
Climaxed at the thought of my skin wrapped against my skin
In repetition
Still then you have no idea what you've jumped in to

Inflict the worst of pleasures
To make it all feel better
Won't try to tame intentions
It ain't no use
Inflict the worst of pleasures
To make it all feel better
I've been abused and used
Don't you think I'll damage you

Inflict the worst of pleasures
To make it all feel better
Won't try to tame intentions
It ain't no use
Inflict the worst of pleasures
To make it all feel better
I've been abused and used
Don't you think I'll damage you
