In the Morning

Razorlight

I dunno what I`m doing wrong
Maybe I`ve been here too long
The songs on the radio sound the same
Everybody just looks the same
But then last night was so much fun
And now your sheets are dirty
The streets are dirty too but
You never look back over what you've done
Remember when you were young
You`d lose yourself
In the morning you know you won`t remember a thing
In the morning, you know it's gonna be alright

I wake him up warm him up
When I`m on the stage, well
The boy can`t help it, it`s not his fault
Just a dangerous dangerous age
But then every night`s still so much fun
And you`re still out at dawn
I`m clinging on to the wrong ideas but
I never regret anything I've done
Remember when you were young
You`d lose yourself

In the morning you know you won`t remember a thing
In the morning, you know it's gonna be alright
In the morning you know you wont remember a thing
C n.c. Em
In the morning, you know it's gonna be alright

In the morning you know you wont remember a thing
In the morning, you know it's gonna be alright
In the morning you know you won`t remember a thing
In the morning, you know it's gonna be alright

Are you really gonna do it this time?
Are you really gonna do it this time?
Are you really gonna do it this time?
Are you really gonna do it this time? (5x)

In the mornin', you know we won't remember a thing...
