RBD

I'm down-folded on this roller coaster they call life  
Keep trying to make it through the next turn,  
knuckles white and holdin' tight

So here I go, (So here I go)  
I'm takin' a curve  
but I know that I'm never alone  
I think of you, until you never let me go

I feel connected, protected  
It's like you're sitting right with me all the time  
You hear me, you're near me,  
And everything else's gonna be alright

'Cause nothin' can break this  
Nothin' can break this  
Nothin' can break this time  
Connected  
Connected inside

It's not an accident, the time we spent apart  
But now we're so close  
I can always find you right here in my heart

You given me somethin' I need  
And I don't ever want it to end  
Because of you, I know I found my strength again

I feel connected, protected  
It's like you're sitting right with me all the time  
You hear me, you're near me,  
And everything else's gonna be alright

'Cause nothin' can break this  
Nothin' can break this  
Nothin' can break this time  
Connected  
Connected inside

Everytime that I breathe,  
I can feel the energy  
Preachin' out, flowin' through  
You to me and me to you  
Make your dream  
Walk or stand  
You are everywhere I am  
Seperate souls  
You to find  
... in my mind

You given me somethin' I need  
And I don't ever want it to end  
Because of you, I know I found my strength again

I feel connected, protected  
It's like you're sitting right with me all the time  
You hear me, you're near me,

And everything else's gonna be alright

Connected, protected

It's like you're sitting right with me all the time

You hear me, you're near me,

And everything else's gonna be alright

'Cause nothin' can break this

Nothin' can break this

Nothin' can break this time
