RBD

No matter what you need from me  
You know you got it  
If I can give you anything  
You know you got it

You can call me any moment  
If you need some love  
I'll be there  
I'll be there  
I'll be there

If something is broken in your heart  
You know I'll fix it  
I'll never gonna let you down  
You know I mean it

You can call me any moment  
If you need some love  
I'll be there  
I'll be there

Cause we'll always be family  
You've got a friend in me  
Family  
I'm in your destiny  
I'll be aroud  
No matter how  
I'll be there  
I'll be there for you

If you just want to run away  
I'll drive you anywhere  
If I'm the pill to ease your day  
I'll be there everyday

You can call me any moment  
If you need some love  
I'll be there  
I'll be there

Cause we'll always be family  
You've got a friend in me  
Family  
I'm in your destiny  
I'll be aroud  
No matter how  
I'll be there  
I'll be there for you

You can call me any moment  
If you need some love  
I'll be there  
I'll be there

Cause we'll always be family  
You've got a friend in me  
Family

I'm in your destiny  
Family  
You've got a friend in me
