

can't say no

Rea Garvey

Me and you, she says: 'we're like an odd pair of shoes,
One slightly stylish and one slightly plain
one for the nightlife and one for the rain'

I never argue cause you never give in
No use in fighting cause I never win
There's no rules on this ship of fools
Only lifeboat survivors who know what to do

As I hold her tight, she tries to fight it
As she rolls her eyes, a slow submission
Cause she knows I'm right, she dances
Dance in the broad daylight
Cause I can't say no, no I can't say no
I'm ten feet tall when she's by my side
But I can't say no to her smile

Me and you, I think we found something old and new
Something borrowed we're bulletproof
Yet we know when to bend, we're like sonic youth
Never gonna end

I never argue cause you never give in
No use in fighting cause I never win
There's no rules on this ship of fools
Only lifeboat survivors who know what to do

As I hold her tight, she tries to fight it
As she rolls her eyes, a slow submission
Cause she knows I'm right, she dances
Dance in the broad daylight
Cause I can't say no, no I can't say no
I'm ten feet tall when she's by my side
But I can't say no to her smile

Can't say no
I can't say no
I can't say no
(I can't say no) to her smile
Why would I want to not give you all that you need
Love's unconditional without room for greed
So many ships before us have sunk into the ground
If you're afraid of heights, my friend
Then don't look down

Cause I can't say no, no I can't say no
I'm ten feet tall when she's by my side
But I can't say no to her smile
